A Day of Fun and Fellowship with Fathers and sons

Join us for an amazing day of celebrating fathers and sons at Pine Springs Camp. The day will be filled with opportunities to enjoy one another, try new activities or some old favorites and learn about what it means to develop a heart after God's own heart.

Leo Wisniewski will address topics related to the challenge of raising boys in today's cultural environment. Likewise, each boy will hear relevant talks on what it means to be a young man who seeks after God in today's world.

The theme "Seeking the Heart of the Father" is based on the parable of the Prodigal Son. We will be challenged to be men of integrity who align our wills with the will of our Heavenly Father in every area of life.

The day will also be packed with activities that are a blast and filled with adventure and challenge. Try something new together or simply enjoy exploring our beautiful 300 acre camp.

Don't miss this great opportunity to spend the day in the beautiful Laurel Highlands at Pine Springs Camp. It promises to be a memorable experience that fathers and sons will always treasure.

Leo and Stefen Wisniewski

We are excited to have a father and son team as our featured speakers for the day. Leo, a nose-guard for Penn State in the early 1980's, played for the Indianapolis Colts for four years. Stefan has followed in his father's footsteps and is a starting All Big-Ten center for the Nittany Lions. Leo and Stefen Wisniewski will address father and sons in separate group sessions and Leo will be our speaker for the closing program/praise service.

Leo is currently the Director of Men's Ministry for White Fields Foundation.
